STATE UNIVERSITY OF NEW YORK BUSINESS OFFICERS ASSOCIATION

## Standing Committee Report

A brief report from the SUNY Auxiliary Services Association (SASA) for 10/7/98:

SASA held our annual meeting in conjunction with the EACAS meeting in June and has held one meeting this fall during September at Plattsburgh. Our next meeting is scheduled for October 15 and 16 at Utica/Rome.

SASA has moved ahead with their planning process to define a vision, shared values, mission and goals statements for the organization. We hope to finalize Phase I at our meeting next week and then we will have a more detailed report for the November SUBOA meeting.
