STATE UNIVERSITY OF NEW YORK BUSINESS OFFICERS ASSOCIATION

## Standing Committee Report

### **SUNY Auxiliary Services Association Report**

**January 20, 1999**

Since our last report the members of SASA met on December 3 and 4 and have their next meeting scheduled for February 18 and 19, 1999. Mike Lewis was able to attend the meeting on December 4, 1998.

I forgot to mention that SASA coordinated a valuable computing training session on the Internet and e-mail as part of our October meeting hosted by SUNY Utica-Rome. The training was conducted by Utica's Continuing Education program using their hands-on computer lab facilities.

Our December meeting focused on the goals established for SASA. Each of the goals has been assigned to a sub-group for review and for developing specific objectives for each. We hope to complete this process this semester so that we can begin to implement them for the 1999-2000 year.

Several of our members will be attending the Symposium on Residence Hall Rehabilitation and Development in Saratoga next month. Our membership is very interested in this subject because of the ties between room and board on the individual campuses.

As always, SASA welcomes input from any interested member of SUBOA as we work through our planning and visioning process. Please feel free to contact any member of SASA with your thoughts and ideas.

Daniel J. Hayes  
President, SUNY Auxiliary Services Association
